Bill, just wanted to let you know that Patrick is back in town but off today. I have notified him of the possible attendance at the meeting but have not spoken with him. I hope to get a hold of him today. If not, I'm out tomorrow, so please call him directly at 415-972-3354. Thanks.

Hi Steve,

The date for the Pechiney Community meeting has been changed to June 7, 2012. If Patrick is available, that would be great. As soon as Patrick gets back from vacation, have him call the DTSC Project Manager, Chand Sultana at (818) 717-6552 and she can update him on the new venue location and discuss any slides Patrick may wish to include for the presentation. Thanks again for all your help, we really appreciate it...
